- **Organizational Skills:** Event Coordination, Time Management, Multi-tasking.
- **Core Strengths:** Empathy, Adaptability, Communication, Problem-Solving.

## SUBJECTS OF INTEREST

---

- Web Development ,
- UI/UX Design,
- Human Resource.

## PROJECTS

---

- **Developed “Swad-E-Dil” – A Restaurant Website** [Link](#)  
Created a responsive and visually appealing restaurant website featuring dedicated sections for Home, About, Category, Menu, Testimonials, and Contact. Implemented clean UI design, intuitive navigation, and functional layouts using HTML, CSS, and JavaScript to deliver an engaging user experience and showcase practical frontend development skills.
- **Built “Student Performance Tracker” – A Result Management Website** [Link](#)  
Developed a web application to streamline student performance tracking by capturing key academic data including name, Collage roll number, exam registration number, semester details, and subject-wise marks. The system calculates total marks and displays results in a clean, organized dashboard. Demonstrates practical skills in form handling, data management, and dynamic content rendering using HTML, CSS, and JavaScript.

## INTERNSHIP EXPERIENCE

---
